Re: Article 12.5.C.5.b(6)

…In the Clerk Craft, an employee(s) involuntarily reassigned shall be entitled at the time of such reassignment to file a written request to return to the first vacancy [in the same or lower salary level] in the craft and installation from which reassigned. Such request for retreat rights must indicate

whether the employee(s) desires to retreat to the same, lower, and/or higher salary level assignment and, if so, what salary level(s). The employee(s) shall have the right to bid for vacancies within the former installation and the written request for retreat rights shall serve as a bid for vacancies in the level from which the employee was reassigned and for all residual vacancies in other levels for which the employee has expressed a desire to retreat. The employee(s) may retreat to only those [lower level] assignments for which the employee(s) would have been eligible to bid. If vacancies are available in the specified lower, higher or same salary level [and in the salary level], the employee will be given the option.

Repostings occurring pursuant to Article 37, Sections 3.A.4.a, 3.A.4.b, and 3.A.4.c, are specifically excluded from the application of this subsection.

Withdrawal of a bid or failure to qualify for a vacancy or residual vacancy terminates retreat rights to the level of the vacancy. Furthermore, employees electing to retreat to a lower level are not entitled to salary protection.
