Section 5. New Positions

A. Each newly created or revised position which contains non-managerial and non-supervisory duties shall be assigned by the Employer to the National craft unit most appropriate for such position within thirty (30) days after its creation or revision. In addition, the Employer shall identify all new non-managerial and non-supervisory work and assign such work at the National Level to the National craft unit most appropriate for performance of such work within thirty (30) days of having done so. Before such assignment of each new or revised position or non-managerial and non-supervisory work the Employer shall consult with the Union signatory to this Agreement for the purpose of assigning the new or revised position or non-managerial and non-supervisory work to the National craft unit most appropriate for such position. The following criteria shall be used in making this determination:

1. existing work assignment practices;
2. manpower costs;
3. avoidance of duplication of effort and "make work" assignments;
4. effective utilization of manpower, including the Postal Service's need to assign employees across craft lines on a temporary basis;
5. the integral nature of all duties which comprise a normal duty assignment;
6. the contractual and legal obligations and requirements of the parties.

B. The Union party to this Agreement shall be notified promptly by the Employer regarding assignments made under this provision. Should the Union dispute the assignment of the new position within thirty (30) days from the date the Union has received notification of the assignment of the position, the dispute shall be subject to the provisions of the grievance and arbitration procedure provided for herein.
