MEMORANDUM OF UNDERSTANDING
BETWEEN THE
UNITED STATES POSTAL SERVICE
AND THE
AMERICAN POSTAL WORKERS UNION, AFL-CIO

Re: Job Audits

The parties understand and agree that if the Postal Service concludes under EAS job audits that any non-managerial or non-supervisory duties did not "seep out" of the bargaining unit, this shall not affect the Postal Service's obligations under Article 1.5, stating in part that "the Employer shall identify all new non-managerial and non-supervisory work and assign such work at the National Level to the National craft unit most appropriate for the performance of such work within thirty (30) days of having done so." If the Postal Service later assigns non-managerial and non-supervisory duties otherwise not excluded pursuant to Article 1.2 which the Postal Service concludes did not "seep out" of the bargaining unit to employees in another position description, they may not be assigned to a new or revised EAS position but rather must be assigned "to the National craft unit most appropriate for such position" in accordance with the procedures in Article 1.5.

By entering into the Memoranda of Understanding providing for EAS job audits, the parties understand that the Union is not agreeing that the Postal Service may in the future assign non-managerial and non-supervisory work outside the bargaining unit.
