CLASS ACTION
MANCH253M
MANCHESTER, NH 03103-9997

Dear Mr. Balogun,

Recently, we met to discuss the above captioned case that was referred to Step 4 of the grievance-arbitration procedure for interpretative review. Time limits were extended by mutual agreement.

The primary issue in this case is whether management may revert a BEM 9 position (March 3, 2019) based on a "Beta" MS 1 staffing package dated February 19, 2019 which preceded the National Settlement Agreement (Q10T-4Q-C-16481407) on MS 1 TL 6 dated August 8, 2019.

After reviewing this matter, the parties mutually agreed that no national interpretative issue is fairly presented in this case.

Accordingly, this case is returned to District Level Regular Arbitration in accordance with Article 15.5.B procedures.

Please sign and return the enclosed copy of this decision as your acknowledgment of agreement.

Sincerely,

Jeffery A. Meadows
