Cover Story

Celebrating Earth Day 2020

On April 22, 2020, the United States Postal Service® celebrates the 50th anniversary of what many consider to be the birth of the modern environmental movement — Earth Day. The Postal Service™ is pleased to honor Earth Day with a beautiful commemorative Forever® stamp (shown on the cover of this issue). The stamp is scheduled to be released on April 18, 2020.

Nearly 100 years before the first Earth Day, George Perkins Marsh published his landmark book *Man and Nature* (*en.wikipedia.org/wiki/Man_and_Nature*), which documented how our health, well-being, economy, and even our security are intricately tied to our natural surroundings. Unfortunately, his voice was not heard by a rapidly industrializing world.

Even in 1970, air pollution was commonly accepted as the smell of prosperity. "Environment" was a word that appeared more often in spelling bees than on the evening news. That's why Gaylord Nelson, a U.S. Senator from Wisconsin, created the concept of Earth Day, and took it upon himself to insert environmental protection into the national political agenda.

Fast Forward to 2020

Earth Day is now a global movement to focus attention on the environment and encourage people to take meaningful actions. The success of our National Recycling Operation has made the Postal Service a leader in the federal sector for diverting waste from landfills. Additionally, the Postal Service continues to champion efforts to conserve energy and water, while complying with environmental regulations and demonstrating best practices for pollution prevention in the communities we serve. The folllowing articles in this kit provide an overview of our top priorities, as well as important recycling information.

Get Involved

USPS Achievements Toward 2025 Sustainability Goals

The United States Postal Service® is committed to being a sustainability leader by creating a culture of conservation in the communities that we serve. As we work to improve sustainable and environmentally focused solutions that decrease our greenhouse gas (GHG) emissions, the Office of Sustainability Energy Initiatives team shepherds the reporting of our progress to the federal government and other organizations.

To move the mail, the Postal Service™ operates facilities and vehicles across the continental United States and its territories. These assets are our major source of resource consumption. Consistent with other agencies and companies that prioritize a culture of conservation, we set targets, measure progress, and report results to show our progress and further our transparency. The USPS® Annual Sustainability Report provides an update each year on our sustainability strategies and performance. Learn more by visiting *usps.com/green*.

The following items highlight Postal Service achievements towards our 2019 goals:

1. **Facility Energy**

   Our mail processing, vehicle maintenance, and retail operations take place in over 32,000 facilities nationwide. In an effort to achieve energy use reduction targets each year, we track and report energy consumption at each facility.

   Goal: Reduce facility energy intensity 25 percent by 2025.

   Result for 2019: Facility energy intensity decreased by 2.7 percent from the previous year. We have a 4.2 percent reduction toward our goal from a 2015 baseline, which is the equivalent of removing over 30,000 cars from the road for a year.

2. **Greenhouse Gases**

   Operations and processes emit GHG emissions that absorb infrared radiation, which then traps and holds heat in the atmosphere. As sustainability leaders, the Postal Service has established goals to conserve natural resources and reduce GHG emissions. We conduct annual GHG inventories and report our results to the federal government, the International Postal Corporation, and The Climate Registry. These reports help us maintain transparency while measuring progress toward our goals as we develop emission reduction strategies.

   USPS places its GHG emissions into three categories:

   - Scope 1 includes emissions from Postal Service-owned sources, such as vehicles and facilities.
   - Scope 2 includes emissions from indirect sources, such as purchased electricity and steam.
   - Scope 3 includes other indirect emissions sources, such as those associated with transmission and distribution losses, employee business travel and commuting, and contracted wastewater treatment and solid waste disposal

   USPS established the following targets for GHG reductions:

   Goal: Reduce Scope 1 and 2 GHG emissions by 25 percent by 2025.

   Result for 2019: USPS has achieved a 22.4 percent reduction from the 2008 baseline, which is the equivalent of removing 255,790 cars from the road for a year.

   Goal: Reduce Scope 3 GHG emissions by 30 percent by 2025.

   Result for 2019: USPS has achieved a 19.8 percent reduction from the 2008 baseline.

3. **Recycling**

   In fiscal year (FY) 2019, the Postal Service completed the final installations of recycling equipment for the National Recycling Operation (NRO) and increased focus on backhaul recycling training. Each year, we measure our total generated waste and calculate how much waste is diverted to recycling.

   Goal: Increase waste diversion from landfills to recycling by 1 percent compared to last year.

   Result for 2019: In FY 2019, USPS diverted 58.3 percent of our solid waste to recycling. That's a significant improvement over the FY 2018 diversion rate, which was 51.7 percent.

To learn more about the NRO, visit *blue.usps.gov/sustainability/national-recycling-operation.htm*.

Introducing the New Web-Based Recycling Toolkit

Have you transferred to a new office and wondered what types of recycling opportunities are available? Or, maybe you want to start a recycling program at your office, but don't know where to begin. The USPS® National Recycling Operation (NRO) has a new web-based tool to help Post Offices and delivery units start or improve recycling programs at the office.

The Recycling Toolkit (RTK) was developed to help offices recycle paper or discarded lobby mail, cardboard, and clear shrink/stretch wrap. The employee simply enters their ZIP Code™ into the top field, and the RTK shows what can be backhaul recycled to the office's hub site and what type of mail transport equipment to use.

There are also links to the NRO's main site, which provides employee talks, training, and videos on office recycling. The RTK is an active tool, and the NRO will continuously add information about recycling more types of items in the future. To visit the Recycling Toolkit, go to *qblue.usps.gov/sustainability/recycling-toolkit.htm*.

Sustainability Module in the Facilities Database – The Results Are In!

The Facilities Database is used by the Postal Service™ to collect facility-specific data about each of our sites using separate modules with questions for different categories. These modules include questions on collection, passport services, PO Boxes, and special services, just to name a few. Every year, offices update the modules with new information, including the Sustainability/Recycling module, which was added in 2018.

With the addition of the Sustainability/Recycling module, the National Recycling Operation (NRO) can now see which offices are recycling and what type of material each office recycles. Material types include:

- Paper,
- Cardboard,
- Clear shrink or stretch wrap,
- Lamps and bulbs,
- Batteries, and
- Printer cartridges.

Completed in February 2020, here are the results of the most current certification period:

- 57% of retail and delivery offices participated in backhaul recycling*.
- 62% of offices recycled batteries.
- 57% of offices recycled used lamps and bulbs.
- 84% of offices recycled printer cartridges.

**Backhaul recycling is the process in which the office sends its recyclables (paper, cardboard, and clear shrink or stretch wrap) to a plant or Postal Service hub site for consolidation.*

USPS Stormwater Policy Reminder

The United States Postal Service® has established policies to reduce pollution from stormwater and snowmelt, which can cause oil and other hazardous chemicals or pollutants to enter the environment. These policies protect the environment and require employees to take specific actions to minimize pollution.

The Postal Service™ requires employees to:

- Prevent vehicle wash water or other equipment wastewater from entering stormwater drains. Postal Service sites must establish vehicle washing contracts through the Vehicles, Delivery, and Industrial Equipment Category Management Center using the nationally approved Statement of Work for vehicle washing. National contracts require suppliers who wash vehicles to use either a dry wipe process or a wet wash that collects and contains wash water for proper off-site management.
- Provide cover for contaminants such as oil, chemicals, batteries, tires, salt storage piles, and trash that are stored outside.
- Keep containers and dumpsters closed and in good condition.
- Keep exterior areas clean by promptly addressing spills, keeping parking lots free of debris, and keeping stormwater catch basins and drains clear.
- Apply pesticides and fertilizers with precision and restraint.

If you would like more information, refer to the *Stormwater Environmental Compliance Bulletin* at *blue.usps.gov/sustainability/environmental/_pdf/ecb-sw-management.pdf*.

Universal Waste Management: Waste Bulbs and Lamps Disposal Reminder

Waste lamps include inoperable, broken, or spent electric lamps or bulbs. Waste lamps are a potential safety and environmental concern because they may contain mercury or other toxic heavy metals. Additionally, several types of waste lamps are hazardous and regulated as universal waste.

Since they contain toxic materials, universal waste lamps have specific federally mandated management and recycling requirements. Postal Service™ sites must store universal waste lamps in closed containers that are clearly labeled and properly train employees that manage these wastes. Additionally, sites must arrange for universal waste lamp/bulb pick-up (or mailback) and subsequent off-site recycling within 1 year (365 days) of the day the wastes were generated. Employees must also maintain accurate recycling records.

For more information about universal waste management requirements for waste lamps, please review the *Waste Lamp Management Environmental Compliance Bulletin* at *blue.usps.gov/sustainability/environmental/_pdf/waste/ecb-waste-lamps.pdf*.

The table shown here lists common types of lamps used by the Postal Service that must be managed as universal waste.

Hazardous (Mercury-Containing) Lamps	
Fluorescent Lamps (Linear, U-shaped, circular, or CFL)	Includes 4-foot and 8-foot linear, U-shaped, circular, and compact fluorescent lamp (CFL) bulbs. Also includes "green-tipped" or "low-mercury" lamps, which must be managed the same way as other fluorescent lamps.
Neon Lamps	Often used in brightly colored signs, neon lights that emit colors other than red use gases that may contain mercury.
HID Lamps	High intensity discharge (HID) lamps are often associated with large interior spaces with high ceilings, such as warehouses, and exterior lighting, or peripheral security lighting, streetlights, and fuel island lighting. These lamps may also be found in newer motor vehicle headlights, as well as LCD or DLP projection television sets or projection displays.
Hazardous (Heavy Metal-Containing) Lamps	
LED Lamps	LED lamps may contain federally regulated metals, such as lead, chromium, or selenium. Note that multiple, individual LED bulbs are typically contained in an LED lamp

Recycling Options

The Postal Service has contracts for universal waste management with Cleanlites Recycling, Inc. (Cleanlites). The scope of services is available in eBuy Plus and includes both mailback recycling containers and on-site waste pick-up.

Additional contract information is available to Postal Service employees in the following Material Logistics Bulletins (MLBs):

- Mailback Recycling Containers: MLB-CO-19-003 at *blue.usps.gov/supplymanagement/_pdf/am_nmcs_mlb19-003.pdf*.
- On-Site Waste Pick-Up: MLB-CO-18-003 at *blue.usps.gov/supplymanagement/_pdf/am_nmcs_mlb18-003.pdf*.

Important Safety Reminder: Do not send waste bulbs or lamps through the mail to the Atlanta Mail Recovery Center, Ybor City Processing and Distribution Center (Tampa Logistics and Distribution Center), or the Topeka Material Distribution Center.

Universal Waste Management: Proper Battery Disposal Reminder

Used batteries are a common waste stream for the Postal Service™, and employees must use proper recycling procedures when discarding used batteries. Most depleted batteries, including lithium-ion batteries used in Mobile Delivery Devices and other types of scanners, contain hazardous components and must not be thrown in the trash. Instead, used batteries must be managed as universal waste and recycled through Cleanlites Recycling, Inc. (Cleanlites), the USPS® universal waste management service supplier.

Cleanlites offers both mailback recycling containers and direct pick-up services in eBuy Plus:

1) **Mailback Services:** Waste batteries must only be shipped via FedEx, using the appropriate Cleanlites "LampMaster" recycling kits.
2) **Direct Pick-Up Services:** Sites with large quantities of universal waste batteries can schedule a direct pick-up.

Important Safety Reminder: Do *not* send waste batteries through the mail to the Atlanta Mail Recovery Center, Ybor City Processing and Distribution Center (Tampa Logistics and Distribution Center), or the Topeka Material Distribution Center (MDC)*. The internal battery mailback programs were canceled due to USPS mailing restrictions and safety concerns. See the latest Material Logistics Bulletin: *blue.usps.gov/supplymanagement/_pdf/am_nmcs_mlb18-003.pdf*.

For more information about proper battery disposal and universal waste management, visit *blue.usps.gov/sustainability/battery-recycling.htm*.

**The Topeka MDC can accept batteries only when contained in equipment sent for electronics recycling (e.g., intact computer or cell phone with battery inside).*

DMM Notice: Extension of PO Box Renewal Fee Payment

To assist Postal Service™ customers amid the Coronavirus Disease 2019 (COVID-19) pandemic, effective immediately the Postal Service is extending the Post Office Box™ (PO Box™) renewal fee payment due date.

The Postal Service will temporarily extend the PO Box 10-day grace period under section 508.4.7.5, "Late Fee Payment," of *Mailing Standards of the United States Postal Service,* Domestic Mail Manual, to 30 days for PO Box customers. This change will apply to any customer whose PO Box fees are due by March 31, 2020, and will continue until further notice.

This temporary change will allow customers to make their PO Box payments for a period of up to 30 days after the due date without penalty of a box closure and will also eliminate the handling fees associated with reopening a closed PO Box.

PO Box customers who have set up recurring payments are not impacted unless their payment method cannot be processed. In the event that charges cannot be made to a customer's credit card, the customer may use the "Pay Now" function on PO Boxes Online (POBOL) or pay at retail. If the customer pays at retail, the PO Box will not be closed, nor will handling fees be assessed as long as the fees are paid within the 30-day grace period.

In addition, PO Box customers can always manage their PO Box fees online at *usps.com/manage/po-boxes.htm*, pay their PO Box fees at any self-service kiosk, or mail their payments using the Notice 32-B envelope (no postage required).

The Postal Service will automatically close the PO Box for nonpayment if no payment has been received after the new temporary 30-day grace period.

The Postal Service will clarify that customers must only use USPS-produced Flat Rate containers at the applicable Flat Rate container price. The Postal Service offers a wide range of other USPS-produced containers to meet customer shipping needs.

In addition, the Postal Service will update the applicable Quick Service Guides (QSG) to reflect these revisions.

Although the Postal Service will not publish these revisions in the DMM until May 4, 2020, the standards are effective immediately.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal Service money orders.
2. Check that the proper security features are present:
   - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
   - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
   - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at *usps.com/shop/money-orders.htm*.
3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under "Changes" appear in bold in the following APO/FPO/DPO table:

Tax Obligations of USPS Employees

As employees of the United States Postal Service®, we have a legal, moral, and fiduciary obligation to obey the tax laws of our country. As both citizens and public servants who are obligated to uphold the public trust, we are ethically mandated to complete and file all required tax forms for our federal, state, and where applicable, local taxes. We are required by appropriate taxation laws to pay all of our required taxes in a timely and accurate manner.

We remind all Postal Service™ employees that they are bound by the materials contained within the *Code of Ethics, Principles of Ethical Conduct for Government Officers and Employees.* This includes Principle 12, which states: "Employees shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those — such as federal, state, and local taxes — that are imposed by law." All Postal Service employees must adhere to the highest possible ethical standards concerning the payment of their taxes and other debts.

As a Postal Service employee, you are personally responsible for ensuring correct federal, state, and local taxes are deducted from your pay. If you are subject to federal, state, or local taxes and the correct deductions are not being withheld from your pay, you must take immediate action to ensure appropriate tax withholdings.

To Update Federal and State Tax Withholdings:

- Complete the federal Form W-4, *Employee's Withholding Certificate,* or the state equivalent of the federal Form W-4. For example, to update Minnesota tax withholdings, complete Form W-4MN, *Minnesota Withholding Allowance/Exemption Certificate.* Complete the federal Form W-4 if your state does not have its own state equivalent of the federal Form W-4. Make sure you write "Name of State" and "State Copy" on the top of the form. Go to the *LiteBlue* home page (*liteblue.usps.gov*) to access the *PostalEASE* App.
- Update your "Federal W-4" Payroll Module and your "State Tax" Payroll Modules.
- If you do *not* have access to a computer or the Internet, mail your completed form(s) to:

  HR Shared Service Center (HRSSC)
  PO Box 970400
  Greensboro, NC 27497-0400

Note: It is to your advantage to complete the paper form before your *PostalEASE* update as the paper form comes with instructions, which can be particularly helpful if your state has complex withholding selections.

To Update Local Tax Withholdings:

- Complete PS Form 4, *Employee's City or County Withholding Certificate.*
- Mail your completed PS Form 4 to:

  HR Shared Service Center
  PO Box 970400
  Greensboro, NC 27497-0400.

Direct all questions concerning these taxes to the HRSSC at 877-477-3273, option 5 (Federal Relay Service: 800-877-8339).

The Postal Service does not provide tax advice. Direct any questions about your tax liability or responsibility to the Internal Revenue Service (IRS), or a qualified tax attorney or accountant.

Adherence to these requirements will help USPS® employees avoid costly penalties and potential tax enforcement action by the IRS. The IRS provides free tax information and services to inform and assist taxpayers concerning tax laws and individual responsibilities. You can research federal tax information at *irs.gov* or contact an IRS representative toll-free at 800-829-1040 (TDD 800-829-4059) for assistance.

Equal Employment Opportunity Policy Statement

The United States Postal Service® (Postal Service™) reaffirms its long-standing commitment to equality of opportunity in every aspect of employment. Equal employment opportunity (EEO) is not only a legal requirement under our nation's laws, but also a business imperative. EEO is a critical component of the Postal Service's efforts to recruit, develop, and retain the most qualified, diverse workforce to support our organization's strategic mission of delivering to every household in America.

It is the policy of the Postal Service that all employees and applicants for employment be afforded equal opportunities in employment without regard to race, color, sex (including pregnancy, sexual orientation, and gender identity, including transgender status), national origin, religion, age (40 or over), genetic information, disability, or retaliation for engaging in an EEO-protected activity. As part of its program of equal employment opportunity, the Postal Service prohibits discrimination or harassment based on any of these categories. In addition, it is also the policy of the Postal Service to prohibit discrimination or harassment based on marital status; status as a parent; and past, present, or future military service. All employees must refrain from practicing or tolerating discrimination or harassment.

Employees found to have taken actions that violate this policy and our country's EEO laws may be subject to corrective action up to and including removal from the Postal Service.

All of us, executives, managers, supervisors, and employees, share in the responsibility for successfully incorporating the Postal Service's policy on equal employment opportunity in every aspect of our duties and complying with this country's EEO laws.

Postal Service Policy on Workplace Harassment (page 1 of 2)

MEGAN J. BRENNAN
POSTMASTER GENERAL, CEO

UNITED STATES POSTAL SERVICE

March 26, 2020

Postal Service's Policy on Workplace Harassment

The United States Postal Service® (Postal Service™) is committed to providing a work environment free of harassment based upon race, color, religion, sex (including pregnancy, sexual orientation, and gender identity including transgender status), national origin, age (40 or over), mental or physical disability, genetic information, uniformed (military) service, or in reprisal for an employee's or applicant's complaint about, or opposition to, discrimination or participation in any process or proceeding designed to remedy discrimination. The Postal Service's workplace must be one in which all employees are treated with dignity and respect by supervisors, subordinates, and coworkers. Supervisors and managers will take prompt action to prevent, address, and remedy workplace conduct that is contrary to this policy.

Prohibited Activities

Harassment is unwelcome verbal or physical conduct, which is so severe or pervasive that it interferes with or changes the conditions of one's employment by creating a hostile, intimidating, or abusive working environment. Examples may include, but are not limited to, making offensive or derogatory comments or engaging in physically threatening, intimidating, or humiliating behavior based upon race, color, religion, sex (including pregnancy, sexual orientation, and gender identity including transgender status), national origin, age (40 or over), mental or physical disability, genetic information, past, present, or future uniformed (military) service, or in reprisal for an employee's or applicant's complaint about or opposition to discrimination or participation in any process or proceeding designed to remedy discrimination. These activities are prohibited by the Postal Service's policy and may amount to harassment in violation of federal antidiscrimination laws. Violation of this policy may result in disciplinary action up to and including termination. The Postal Service is committed to providing its employees a safe, productive, and inclusive workplace and will tolerate nothing less.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature such as, but not limited to: making or threatening to make employment decisions based on an employee's submission to, or rejection of, sexual advances or requests for sexual favors; deliberate or repeated unsolicited remarks with a sexual connotation or physical contact of a sexual nature that is unwelcome to the recipient; or behavior that creates a sustained hostile or abusive work environment so severe or pervasive that it unreasonably interferes with or changes the conditions of one's employment.

Although not every instance of inappropriate behavior may fit the legal definition of harassment, such behavior in the workplace undermines morale and violates the Postal Service's standards of conduct. Disciplinary action may result even if the conduct does not constitute harassment under the law.

Management Responsibility

All managers and supervisors are responsible for preventing harassment and inappropriate behavior that could lead to illegal harassment, and must respond promptly when they learn of any such conduct. Any manager or supervisor who receives a complaint must see that a prompt and thorough investigation is conducted. Investigations of all forms of harassment must be done in accordance with the "Initial Management Inquiry Process (IMIP)." Materials are available in Publication 552, *Manager's Guide to Understanding, Investigating, and Preventing Harassment.* When harassment or inappropriate conduct is found, managers must take prompt and effective corrective action.

Postal Service Policy on Workplace Harassment (page 2 of 2)

Employees' Rights and Responsibilities

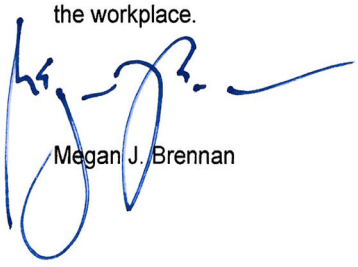

Postal Service employees who believe that they are the victims of harassment prohibited under this policy (i.e., harassment based on race, color, religion, sex (including pregnancy, sexual orientation, and gender identity including transgender status), national origin, age (40 or over), mental or physical disability, genetic information, uniformed (military) service, or in reprisal for an employee's or applicant's complaint about or opposition to discrimination or participation in any process or proceeding designed to remedy discrimination) or who have witnessed such harassment or inappropriate conduct, should bring the situation to the attention of a supervisor, a manager, or the manager of Human Resources. Refer to Publication 553, *Employee's Guide to Understanding, Preventing, and Reporting Harassment* for further information. In accordance with this policy, supervisors, managers, managers of Human Resources, or the next higher level manager (HQ and HQ-field units) are responsible for ensuring that direct and prompt action is taken to investigate and, where appropriate, remedy such misconduct when brought to their attention. The Postal Service will protect the confidentiality of harassment complainants to the fullest extent possible.

Employment discrimination or reprisal for engaging in an Equal Employment Opportunity (EEO)-protected activity is prohibited. Employees may request pre-complaint counseling through the online Postal Service EEO efile application at https://efile.usps.com or in writing by providing their name, Social Security or employee identification number, address and telephone number to: National EEO Investigative Services Office—EEO Contact Center, Post Office Box 21979, Tampa, FL 33622-1979. In addition, bargaining unit employees may seek relief through the relevant grievance-arbitration procedures, and if applicable, non-bargaining unit employees may use the grievance procedures described in Section 652.4, *Employee and Labor Relations Manual*.

Allegations involving any possible criminal misconduct should, at a minimum, be reported to law enforcement authorities as follows: any physical misconduct relating to workplace harassment (i.e., any physical assault, threat of a physical assault, or stalking) should be reported to the United States Postal Inspection Service (USPIS); use of any electronic device, computer, or Internet to transmit threatening or harassing communications, obscene or indecent images and materials, should be reported to the Office of Inspector General (OIG).

Reprisal against employees who raise a claim of harassment, report inappropriate conduct, or provide evidence in any investigation is illegal and can result in disciplinary action, and should be referred to the USPIS or OIG as appropriate.

The Postal Service does not tolerate any type of harassment, inappropriate conduct, or reprisal in the workplace.

Stamp Announcement 20-16: Voices of the Harlem Renaissance Stamps

©2019 USPS

On May 21, 2020, in New York, NY, the United States Postal Service® will issue the *Voices of the Harlem Renaissance* stamps (Forever® priced at the First-Class Mail® rate) in four designs, in a pressure-sensitive adhesive pane of 20 stamps (Item 476400). The stamps will go on sale nationwide May 21, 2020, and must not be sold or canceled before the first-day-of-issue. **The *Voices of the Harlem Renaissance* pane of 20 stamps may not be split and the stamps may not be sold individually.**

This issuance celebrates one of the great artistic and literary movements in American history, the Harlem Renaissance of the 1920s, which firmly established African Americans as a vital force in literature and the arts. Twenty stamps showcase four stylized pastel portraits of these literary figures:

- Alain Locke, writer, philosopher, educator, and arts advocate;
- Nella Larsen, novelist;
- Arturo Alfonso Schomburg, bibliophile and historian; and
- Anne Spencer, poet.

African-inspired motifs are used as background elements of each portrait. The pane header shows a cityscape in silhouette with a sun in its midst and the issuance title "Voices of the Harlem Renaissance." The artist for these stamps was Gary Kelley. Art director Greg Breeding designed the stamps.

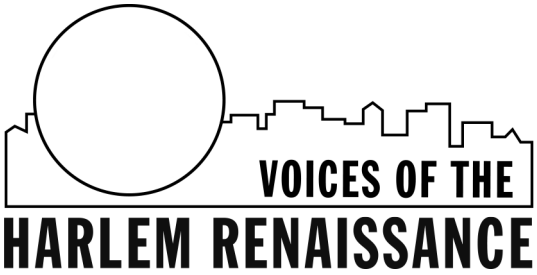

Availability to Post Offices: Item 476400, Voices of the Harlem Renaissance (Forever Priced at the First-Class Mail Rate) Pane of 20 Stamps

Special Dedication Postmarks

Only the following pictorial postmark is permitted for *Voices of the Harlem Renaissance* stamps. The word "Station" or the abbreviation "STA" is required somewhere in the design, because it will be a temporary station. **Use of any image other than the following special pictorial image is prohibited.**

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at *usps.com/shop*.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items.
