Mail Moment®

Cover Story

Every Day, Heroes

In a moment of crisis, a Postal Service™ customer in Miami turned to a trusted figure for help: Letter Carrier Donna Bratton. Bratton was delivering mail at the customer's apartment complex when the woman ran up to her, holding an infant.

"My baby can't breathe!" the customer exclaimed.

While 911 was called, Bratton performed CPR on the girl and revived her. Emergency responders soon arrived and took the baby to a hospital.

Bratton is one of several thousand employees who have been recognized through the Postmaster General (PMG) Heroes' Program. These men and women have gone above and beyond the call of duty in a variety of situations, such as assisting lost children, getting help for sick or injured customers, spotting fires, and more.

Now in its seventeenth year, the program is based on a simple idea: Postal Service employees know the habits of their customers and the rhythms of their communities, and are often the first to notify emergency personnel and render aid when something is wrong.

Employees must be nominated for the PMG Hero Award. Corporate Communications reviews nominations for accuracy, then sends them to the Inspection Service and the Office of Inspector General for approval.

Following approval, each nominee receives a commendation letter from Postmaster General Louis DeJoy. Honorees are also featured in "Heroes' Corner" on the Postal Service's daily employee news site, *Link*. Additionally, a heroes' wall at USPS® headquarters in Washington, DC, displays stories and photos, which are updated monthly, to promote these employees' heroic acts.

To nominate an employee, complete PS Form 400, *Corporate Communications PMG Hero Nomination*, and email it to *PMG_HeroNominations@usps.gov*. To download or print the form, go to *usps.link/heroes* where you can also find the "Heroes' Corner" archives and read more stories about heroic employees.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal Service money orders.
2. Check that the proper security features are present:
   - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
   - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
   - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at *usps.com/shop/money-orders.htm*.
3. If the money order seems suspicious, call the U.S. Postal Service Money Ordxxer Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under "Changes" appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

Information Security

Smart Email Use: Take Extra Precautions with Outside Contacts

Corresponding with contacts outside the Postal Service™ is a frequent occurrence for many USPS® employees. While it is common to exchange emails with non-USPS partners, USPS employees must take extra steps to ensure senders are legitimate and information is protected.

In June 2018, the Postal Service began labeling all non-USPS emails with the term [EXTERNAL] in the subject line. And now, as an additional visual cue, all emails from non-USPS senders display the following banner at the top of the message's body:

CAUTION: This email originated from outside USPS. STOP and CONSIDER before responding, clicking on links, or opening attachments.

This visual alert system reminds employees to take extra precautions with these contacts, while keeping in mind that not all of them are malicious (see *blue.usps.gov/cyber/security-avoid-scams.htm*). Here are some signs that an external email could be harmful:

- Begins with a generic or inconsistent greeting (e.g., "dear customer").
- Includes an "urgent" request for immediate action.
- Provides offers or prizes that seem too good to be true.
- Contains spelling or grammatical errors.
- Comes from a sender with an email address that appears to impersonate another business.
- Requests personal information, such as your USPS credentials.

Additionally, be sure to include **#sensitive#** in the email subject line when sharing sensitive attachments with non-USPS recipients. This will encrypt the file and prevent it from getting into the wrong hands.

For more information about effectively managing and protecting your inbox, visit CyberSafe at USPS® at *blue.usps.gov/cyber/protect-your-inbox.htm*. For questions specific to external email labeling enhancements, contact *CISOEmailProtectionServices@usps.gov.*

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 90 days:

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at *usps.com/shop*.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail™. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.

Web-based Recycling Toolkit Shows What Can be Recycled at Your Location

Have you transferred to a new office and wondered what types of recycling opportunities are available? Or, maybe you want to start a recycling program at your office, but don't know where to begin. The USPS® National Recycling Operation (NRO) has a new web-based tool to help Post Offices and delivery units start or improve recycling programs at the office.

The Recycling Toolkit (RTK) was developed to help offices recycle paper or discarded lobby mail, cardboard, and clear shrink/stretch wrap. The employee simply enters their ZIP Code™ into the top field, and the RTK shows what can be backhaul recycled to the office's hub site and what type of mail transport equipment to use.

There are also links to the NRO's main site, which provides employee talks, training, and videos on office recycling. The RTK is an active tool, and the NRO will continuously add information about recycling more types of items in the future. To visit the Recycling Toolkit, go to *blue.usps.gov/sustainability/recycling-toolkit.htm*.

United States Postal Inspection Service

Check the U.S. Postal Inspection Service Website for the Latest Information on Fraud

From sweepstakes and lottery scams to identity theft and other cyber schemes, there are many different forms of fraud. While anyone can be a victim of fraud, the elderly and veterans are at even greater risk of becoming victims. An AARP survey showed that veterans are twice as likely to become victims of fraud as the general public.

The Coronavirus (COVID-19) pandemic and the resulting Economic Impact Payment (more commonly called "stimulus checks") has set in motion another favorite of scammers — taking advantage of natural disasters. Many people who desperately need this money will be tricked into handing it over to these unscrupulous criminals.

Unfortunately, these scammers are very good at what they do. They know how to create emails, design mailpieces, and make telephone calls that seem legitimate, and they know how and when to apply the right amount of pressure to get their target to act.

But, the United States Postal Inspection Service® (USPIS®) is on their trail. In addition to social media channels, such as Twitter, Facebook, Instagram, and YouTube, the USPIS website provides resources that anyone can use to protect themselves from scams, or to file a report if they believe they have already been scammed.

For more information about fraud prevention and consumer protection tips, visit the USPIS website at *uspis.gov/tips-prevention*. Together, we can beat the scammers.
