## Why Employee Engagement?

The United States Postal Service® continues to make employee engagement a top priority because of its commitment to employees and an improved customer experience. As Postmaster General Louis DeJoy states, "This institution helps to bind our nation together, delivering mail and packages to a nation that has largely been forced to stay at home. We are critical to our national economy and millions of small businesses and their employees, and we are the 'face' of the federal government to millions of Americans who count on us to deliver information, census forms, and mail-in ballots."

Managers and supervisors who practice employee engagement ensure their work teams thrive in the workplace through:

- Engaging employees with meaningful conversations,
- Building relationships where employee expectations are clear, and
- Letting everyone know they are valued.

Employees who are more engaged provide better customer service, have better attendance, and are prone to fewer accidents. Postal Pulse® survey participation helps the Postal Service™ benchmark the depth of engagement in work groups and provide a summary of opportunities that can help all employees thrive in the workplace.

All employees are encouraged to fill out the Postal Pulse survey. Postal Service leadership will use employee feedback from this survey to further improve USPS® workplaces. Our next survey period will run from August 4 – September 4, 2020.

Employees may take the Postal Pulse survey the following ways:

- **Bargaining employees:** Work and home mailings, Outlook email, or *LiteBlue*.
- **PCES/EAS employees:** Outlook email or *LiteBlue*.

Employee feedback is very important to the Postal Service. **Your opinions count**.

If you have questions about the Postal Pulse survey or its confidentiality requirements, please contact the Engagement team by sending an email to *Engagement@usps.gov* or by calling 844-303-6424.

The circular notes that the effective date of the increase is July 1, 2020, even though the effective date of the IMM revision noting the increase is July 2, 2020 (the date of this *Postal Bulletin* article).

# Information Security

## Flash Drives Can Have a Major Impact on Security

As small as flash drives are, they can have a massive impact on an organization's security if they contain malicious code.

For instance, the 2008 cyberattack on the United States military — when an employee connected a malicious flash drive to a USB port on a laptop — caused the worst U.S military breach in history. This action uploaded malicious code onto a network linked to the U.S. Central Command, and it took 14 months to scrub the worm from military networks.

Today, organizations more fully understand the importance of securing USB ports. That's why USPS® employees must only use USPS-approved, encrypted devices (e.g., flash drives and hard drives) purchased through the eBuyPlus catalog for storing and transmitting sensitive information. For a full list of approved removable memory devices, visit *blue.usps.gov/cyber/utilize-encryption.htm*.

***Important:*** Devices purchased outside of the eBuyPlus catalog are strictly prohibited and *not approved for use* with USPS equipment.

Separating work and personal documents is also important while working from home. Do not share files between your home and work computer. To ensure that a data transfer doesn't accidently happen, never plug a personal storage device or personal phone into a USPS-issued device.

CyberSafe at USPS® advises employees and contractors to follow these guidelines to ensure the USPS network remains secure:

- Plug only USPS-approved devices into Postal Service™ equipment (see *blue.usps.gov/cyber/utilize-encryption.htm* for a list of approved devices).
- Use a wall outlet or a portable charger to charge your personal devices.
- Avoid public charging stations, as cybercriminals sometimes install malicious software on these stations.

For more information about cybersecurity best practices, visit the CyberSafe at USPS web pages on *Blue* (*blue.usps.gov/cyber*) and *LiteBlue* (*liteblue.usps.gov/cyber*).

## Records Management is Everyone's Responsibility

Records management is the responsibility of every Postal Service™ employee. All Postal Service records, including paper documents, emails, and electronic data, are important because they help the Postal Service to fulfill its mission. That's why proper handling of Postal Service records and data is crucial, especially when teleworking.

All paper records, emails, and electronic data created or received by Postal Service employees must be managed in accordance with the policies and related procedures found in the following handbooks:

- Handbook AS-353, *Guide to Privacy, the Freedom of Information Act, and Records Management* (see *about.usps.com/handbooks/as353/welcome.htm*).
- Handbook AS-805, *Information Security* (see *about.usps.com/handbooks/as805/welcome.htm*).

While electronic data is protected by security safeguards, passwords, and encryption, the proper handling of paper records requires additional considerations:

- **Leave sensitive documents at the office.** Original records, especially those that may be sensitive or sensitive-enhanced, must not be removed from Postal Service work sites to help prevent loss or damage.
- **Scan the documents you need.** If you need to work offsite, digitally scan the documents into a secure area on the Postal Service network.
- **Securely store documents.** Store paper records in a locked cabinet, separate from other documents, until you return them to your official duty station.
- **Shred anything you don't need.** While offsite, only non-records may be destroyed, and they must *only* be destroyed by cross-shredding. Non-records include all duplicate copies or photocopies of original records.
- **Don't connect to non-USPS equipment.** While working offsite, users must not connect a USPS® laptop to any peripheral devices, such as printers, that would allow anyone to print sensitive or sensitive-enhanced materials.

Records are managed according to the official retention periods found in the Electronic Records and Information Management System. For more information, send an email to the Records Management team at *RecordsManagement@usps.gov.*

### Invalid USPS Corporate Account Numbers

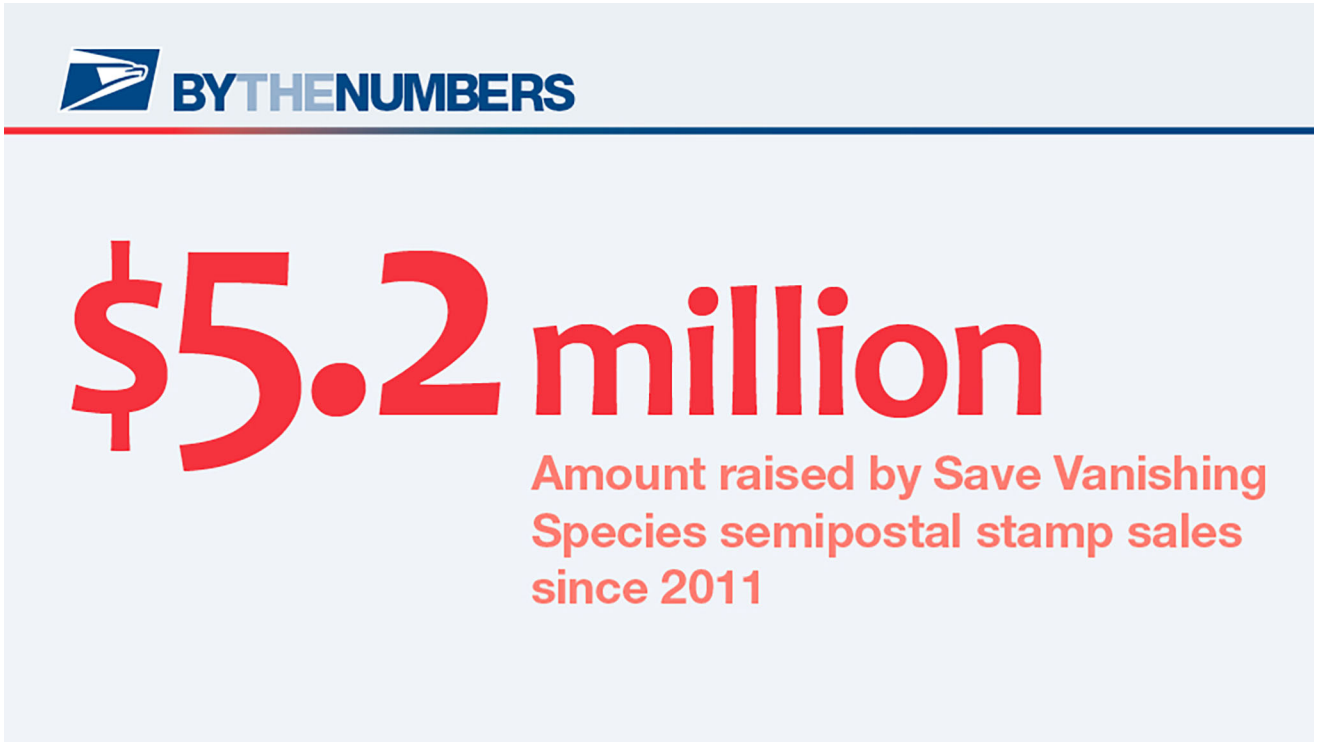

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

***Note:*** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal Service money orders.
2. Check that the proper security features are present:
   - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
   - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
   - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at *usps.com/shop/money-orders.htm*.
3. If the money order seems suspicious, call the U.S. Postal Service Money Ordxxer Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under "Changes" appear in bold in the following APO/FPO/DPO table:

### Changes

| APO/FPO/DPO | Action | Effective Date | See Restrictions |
|---|---|---|---|
| FPO AE 09570 | Add A | 06/04/2020 | A-B-F-F1-F3-R-R1-S-V |
| FPO AE 09581 | Add F3, S | 06/17/2020 | B-F-F1-F3-R-R1-S-V |

## Stamp Announcement 20-22: Bugs Bunny Stamps

On July 27, 2020, in Burbank, CA, the United States Postal Service® will issue the *Bugs Bunny* stamps (Forever® priced at the First-Class Mail® rate) in 10 designs, in a pressure-sensitive adhesive pane of 20 stamps (Item 478500). The stamps will go on sale nationwide July 27, 2020, and must not be sold or canceled before the first-day-of-issue.

**The *Bugs Bunny* pane of 20 stamps may not be split and the stamps may not be sold individually. The *Bugs Bunny* stamps image, special dedication postmarks, and first-day-of-issue postmarks will be revealed in a future edition of the *Postal Bulletin*.**

This stamp issuance celebrates Bugs Bunny, the "wascally wabbit" who has gleefully foiled foes and delighted cartoon audiences for 80 years. Bugs has always been known for his impeccable impersonations and his masterful masquerades, so the 10 designs on this pane of 20 stamps each showcase a costumed Bugs Bunny in some of his most memorable getups. The reverse side of the pane includes modern-day sketches that evoke the appearance of early Bugs Bunny with his exaggerated slapstick elasticity.

The drawings represent a wide range of Bugs's postures, gestures, and expressions. Original stamp artwork is based on iconic moments of Bugs Bunny's career and was created especially for this issuance by Warner Bros. Entertainment Inc., featuring work from Warner Bros. Animation artists, who also created the verso sketches. Greg Breeding was the designer, and William J. Gicker served as art director.

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at *usps.com/shop*.

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

### Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail™. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.

# Supply Management

## Interest Rate on Contract Claims

The Postal Service™ periodically publishes the interest rate payable on a claim decided in a supplier's favor under the Contract Disputes Act of 1978 in the *Postal Bulletin.* This rate also applies for late payments to suppliers under the Prompt Payment Act, as amended.

The interest rate effective for the 6-month period of July 1 to December 31, 2020, is 1.125 percent.

# Sustainability

## Monthly Sustainability Posters and Service Talks

Foster a sustainability culture in your department or work site with our monthly sustainability service talk and poster program. The Office of Sustainability created these sustainability posters and service talks to cover 12 important topics for Postal Service™ employees. They reflect simple actions that employees can take to create a more sustainable future, such as:

- Using environmentally-friendly products,
- Recycling old electronics,
- Recycling paper and plastic,
- Conserving water, and
- Saving energy.

For each topic, there is a poster managers can place on bulletin boards or in break rooms, as well as a service talk to share with team members. While all topics may not be relevant to every work site, many of them still apply to our daily lives at home.

To download available sustainability posters and service talks, visit *blue.usps.gov/sustainability/service-talks.htm*.

For July, the focus is on our National Recycling Operation (NRO). The NRO was created to standardize recycling processes across the USPS® delivery network.

Participation can help reduce local landfill costs, generate additional revenue from recycling, and conserve natural resources. For more information about the NRO, visit *blue.usps.gov/sustainability/service-talks.htm#July*

Thank you for putting your stamp on a greener tomorrow.
