Cover Story

November is HAZMAT Awareness Month

To protect the health and safety of our employees and the general public, the Postal Service™ has developed specific procedures for safeguarding, identifying, handling, and delivering hazardous materials (HAZMAT). Since there have been several recent incidents of non-mailable HAZMAT in the mailstream, November has been designated "HAZMAT Awareness Month" to highlight these issues.

Incidents, including lithium battery fires (exceeding the 100Wh limit), as well as mercury and corrosive liquid spills, serve as a reminder that these types of mailpieces continue to pose a threat. Additionally, there has been an increase in undeclared HAZMAT items in the mailstream, such as items that do not display the required markings and improperly packaged mailable HAZMAT items:

- Liquids with no absorbent material.
- Lithium batteries.
- Aerosol cans in non-rigid packaging.

During HAZMAT Awareness Month, the Postal Service will provide the following targeted communications to reinforce awareness of current HAZMAT policies and procedures:

- HAZMAT Zoom Lunch and Learn.
- Updates to job aid reference materials.
- Use of Poster 37, *Is Your Package Safe to Mail?* (see page 4).
- Promotion of HAZMAT Awareness Month in targeted channels, such as the *Postal Bulletin, Retail Digest, Link,* and Retail Systems Software.

As our peak season begins, and we anticipate increased mail volume along with its potential risks, there is even more reason to be diligent. I know I can count on Postal Service employees to support this effort and thank you in advance for emphasizing the importance of adhering to current HAZMAT policies and procedures.

Elvin Mercado
Vice President,
Retail and Post Office Operations

Poster 37, Is Your Package Safe to Mail?

IS YOUR PACKAGE SAFE TO MAIL?

You could be mailing hazardous materials and not even know it.

Did you know that many common household items are dangerous to ship and are not permitted in the mail?

Even items that are permitted in the mail can present a hazard if improperly packaged, due to vibration, temperature changes, and variations in atmospheric pressure.

USPS® is committed to keeping your mail safe. Log on and see if the item you wish to mail is permitted and learn more about how to prepare this type of mail safely.

WARNING: Persons who knowingly mail items or materials that are dangerous or injurious to life, health, or property in violation of 39 U.S.C. 3018 may be liable for a civil penalty of at least $250, but not more than $100,000 for each violation; the costs of any cleanup associated with each violation; and damages.

IMM Revision: Individual Country Listing for Ukraine

Effective November 18, 2021, the Postal Service™ is revising the Individual Country Listing for Ukraine in *Mailing Standards of the United States Postal Service,* International Mail Manual (IMM®) to note a request to include the 5-digit postcode in the delivery address for items destined to Ukraine.

This revision is based on a formal request that Ukrposhta (the designated operator of Ukraine) made through the Universal Postal Union via *International Bureau Circular* 61, dated April 19, 2021, and through further email confirmation dated September 30, 2021.

Information Security

National Cybersecurity Awareness Month

During October 2021, the Postal Service™ observed National Cybersecurity Awareness Month (NCSAM) by helping Postal Service employees and contractors become more aware of cybersecurity best practices and the resources available at CyberSafe at USPS®. Each week, we highlighted a cybersecurity topic using videos, held cybersafe activities, and showed best practices and fun facts.

What You Can Do If You Missed NCSAM

- Visit the NCSAM (*blue.usps.gov/cyber/awareness-fair.htm*) page on *Blue* for information and resources provided during each week of NCSAM.
- Spread the word! Let your teams and networks know about CyberSafe resources available year-round.

Take the NCSAM survey (*forms.office.com/Pages/ResponsePage.aspx?id=iFeq-TPrSUqK0HYQGRDKw1rCr2l2cFtEqPYctnEWdopUBExJMlpJQks0SUtQMU41MUFGNkVHWlY2Uy4u*) to share your thoughts on this year's National Cybersecurity Awareness Month. **Remember:** Stay CyberSafe.

Holiday Season 2021

The Postal Service™ is ready and waiting for peak season 2021. Our employees are hard at work in anticipation of the holiday season, which is our busiest time of the year. Here are some important details that will help you prepare for your holiday mailings.

Holiday Stamps

The Postal Service offers a wide variety of contemporary and religious stamps for the holidays. Customers may purchase these stamps at retail offices or online at *usps.com/shop*. New stamps this year include:

- *A Visit from St. Nick*
- *Otters in the Snow*
- *Hanukkah*
- *Kwanzaa*.

Holiday stamps from previous years are also available. As a reminder, the cost of a Forever® stamp increased in August to 58 cents from 55 cents.

Self-Service Kiosks

Post Office™ lobbies can be very busy during the holiday season. Skip waiting in line and go directly to a fully-automated, self-service kiosk with touch-screen. Typically placed in Post Office lobbies to provide customers with a convenient alternative to the full-service counter, Post Office kiosks offer customers a wide range of services:

- Choose a faster or most affordable shipping option.
- Weigh letters, flats, and parcels up to 70 pounds.
- Purchase variable-rate postage in any denomination for Priority Mail Express®, Priority Mail®, First-Class Mail®, and USPS Retail Ground® services.
- Purchase USPS Delivery Confirmation®, Signature Confirmation™, Insurance, Certified Mail®, and Return Receipt™ services.
- Print Priority Mail Express forms.
- Look up a ZIP Code™.
- Purchase postage.
- Renew your PO Box™.
- Pay with a debit, credit, or EBT card.
- Print a receipt with the USPS Tracking® number.

Addressing the Package

Use the following directions to properly address your military mail package:

- Write out the service member's full name.
- Include the unit and APO/FPO/DPO address with the 9-digit ZIP Code™ (if one is assigned).

  For example:

  Army/Air Post Office (APO)
  COL MELANIE DOE
  PSC 3 BOX 4120
  APO AE 09021

  Fleet Post Office (FPO)
  SEAMAN JOSEPH SMITH
  UNIT 100100 BOX 4120
  FPO AP 96691

  Diplomatic Post Office (DPO)
  JOHN DOE
  UNIT 8400 BOX 0000
  DPO AE 09498-0048

- Do not write the country name where the service member is stationed in the address.
- Include a return address.
- Inside the box, include the service member's name and address as well as the sender's name and address on an index card in case the shipping label gets damaged in transit.

The Postal Service anticipates December 19 will be the busiest day online with 12.5 million customers predicted to visit *usps.com* for help shipping that special holiday gift. And *usps.com* is always open.

Find the perfect gift online at *store.usps.com/store/results/gifts/_/N-nnxamr?_requestid=15338* and at retail locations to make gift giving easy this season. Use our online locator at *tools.usps.com/find-location.htm* to find your local Post Office.

Custom Solutions for Sending Holiday Packages

The Postal Service is uniquely qualified to deliver the holidays by offering a variety of custom solutions designed to make sending holiday packages easy:

- Packages that have stamps as postage and are more than one-half inch thick and/or weighing more than 10 ounces *must* be taken to a retail counter for drop off. Alternatively, customers can use a self-service kiosk for a postage label and drop off the package in a Post Office package slot, *not* a mail slot.
- Get free Priority Mail and Priority Mail Express boxes and envelopes in Post Office locations or online at *usps.com/freeboxes*.
- Skip the line and use self-service kiosks located in larger Post Office locations to weigh, pay postage, and deposit your packages.
- Use the Click-N-Ship feature online at *usps.com/ship* to create shipping labels with USPS Tracking®, pay postage, or use flat rate shipping products to avoid weighing packages.
- With free Package Pickup, your package can be handed to your mail carrier on his or her regular delivery route or you can schedule a pickup. For details on availability, visit *usps.com/pickup*.
- Take your packages to the retail counter at any Post Office.

* *Boxes are delivered in the U.S. with regular mail usually within 7 to 10 business days. Exclusions apply. For details and to order, visit store.usps.com/store.*

Custom Solutions to Help With Receiving Holiday Packages

The Postal Service also offers a variety of custom solutions designed to make receiving holiday packages more convenient:

- Informed Delivery® (*informeddelivery.usps.com*) is the free daily digital preview of what is coming to your mailbox. You can see what mail is coming to your mailbox, manage your packages by providing delivery instructions or reschedule delivery online, and see some exterior images of magazines and catalogs — all from your mobile app, dashboard, tablet, or computer.
- Customers can also request the package be held at a Post Office by choosing the Hold for Pickup option in the Informed Delivery app (*informeddelivery.usps.com*), or online at *reg.usps.com/login?app=HOLDMAIL&appURL=https%3A%2F%2Fholdmail.usps.com%2Fholdmail%2F*.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal Service money orders.
2. Check that the proper security features are present:
   - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
   - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
   - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at *usps.com/shop/money-orders.htm*.
3. If the money order seems suspicious, call the U.S. Postal Service Money Ordxxer Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under "Changes" appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Holiday Season 2021 (continued)

- Customers who know they won't be home when a package is delivered can use USPS Package Intercept® service (*usps.com/manage/package-intercept.htm*). Before delivery, most domestic package shipments can be redirected back to the sender, to a new address (a neighbor, perhaps), or to the Post Office to be held for pickup.

Help Customers Avoid a Shipping Glitch

There are a number of things that customers can do to ensure their holiday mail gets delivered safely and correctly:

- Print addresses clearly and include all address elements, such as apartment numbers and directional information (ex., 123 S. Main St., Apt. 2B).
- Don't send materials that are prohibited, such as fireworks or ammunition. Hazardous materials like perfumes, aerosols, or lithium batteries are mailable with restrictions. For more information, visit *pe.usps.com*.
- Items powered by dry-cell batteries may sometimes turn on during handling and emit a light, buzz, beep, or tick. Please ensure the device is powered off or package batteries separately (preferably in the original manufacturer's packaging). Specific packaging requirements apply to lithium batteries. See Publication 52, *Hazardous, Restricted and Perishable Mail* (*pe.usps.com/HAZMAT/Index*).
- Place a card inside the package that contains the delivery and return address. This ensures the package can be delivered or returned if the mailing label gets damaged or falls off.
- Never guess a ZIP Code. No ZIP is better than a WRONG ZIP. Look up a ZIP Code at *usps.com* under Quick Tools.
- Include both "to" and "from" information on packages and only on one side.
- Do NOT reuse mailing boxes — they weaken in the shipping process.
- Select a box that is strong enough to protect the contents. Priority Mail and Priority Mail Express boxes are free at local Post Office locations.
- Leave space for extra cushioning inside. Stuff glass and fragile, hollow items, like vases, with newspaper or packing material, to avoid damage. When mailing framed photographs, take the glass out of the frame and wrap it separately.

Protect Your Holiday Packages

Here are some simple tips from the U.S. Postal Inspection Service to help keep your packages safe at the holidays and all year long:

1. **Don't leave your delivered mail and packages unattended.** You wouldn't leave important items sitting on the front seat of your unlocked car. So, don't leave your mail and packages sitting in mailboxes or on front porches for any length of time.
2. **Going out of town?** Hold your mail at your local Post Office. You can sign up for Hold Mail service on *usps.com* if you plan on being away from home for a few days. Your letters and packages will be held securely at your Post Office until you pick them up or request they be delivered to your home.
3. **Plan ahead.** Ship using Hold for Pickup. If you are sending packages, you can choose the Hold for Pickup option on *usps.com*. The packages will be safely held at the recipient's local Post Office until they can pick it up. If you are expecting a package, you can redirect it to your local Post Office by selecting Hold for Pickup using the Intercept a Package tool under Track & Manage on *usps.com*.
4. **Customize the delivery.** If you are expecting something you know will not fit in your mailbox and you won't be home to receive it, you can authorize the carrier to leave it in a specified location. Visit *usps.com*, enter the tracking number in Track a Package, and select USPS Delivery Instructions®.
5. **Secure the shipment using USPS Special Services.** Signature Confirmation helps ensure the package ends up in the right hands by requiring a first initial and last name at the time of delivery. For your most valuable packages, you can opt for Registered Mail service. Registered Mail receives special handling from the time it's mailed until the time it's delivered.
6. **Monitor your front door.** If you have a home security camera system, and you catch any mail thieves in the act, save the video and alert your local Postal Inspectors by calling 877-876-2455 or sending an email to *uspis.gov/report*.

2021 Holiday Information

Holiday Advertising Campaign

Our 2021 holiday campaign will feature direct mail, TV, radio, print, digital, and social media promotions highlighting the organization's proud tradition of delivering cheer and value to consumers and businesses.

The first of several TV spots began airing in November and can be viewed on the Postal Service YouTube channel, USPS TV (*youtube.com/user/uspstv/custom*). A direct mailpiece with information customers need to know for the holidays will be mailed to more than 100 million homes by Thanksgiving.

Holiday Operating Hours

Post Offices locations nationwide will be closed on Christmas Day, Saturday, December 25, and New Year's Day, Saturday, January 1, 2022. All Post Office locations will be open and regular mail delivery will resume on Monday, December 27, and Monday, January 3, 2022.

Customers should always check with their local Post Office location for hours of operation. As a reminder, blue collection boxes are not serviced on Sundays.

Holiday Newsroom

Customers can find news releases, shipping deadlines, fact sheets, how-to videos, and much more by visiting the holiday newsroom at *about.usps.com/holidaynews*.

Holiday Hiring

The Postal Service will be hiring seasonal employees across the country to meet operational needs and the needs of our customers. Hiring decisions are made at a local level. Instead of just hiring seasonally, the Postal Service is focusing its resources on actively hiring year-round.

Employee Tipping

All Postal Service employees, including mail carriers, must comply with the Standards of Ethical Conduct for Employees of the Executive Branch. Under these federal regulations, carriers may accept a gift worth $20 or less (this includes store, restaurant, or mall gift cards). However, carriers must never accept cash and cash equivalents, such as checks or gift cards that can be used like credit cards (with Visa, MasterCard, or American Express logos) for any amount.

Carriers and Dogs

The Postal Service asks customers to place their dogs in a separate room before opening the front door to accept packages from carriers. Dogs are protective in nature and have been known to jump through screen doors and squeeze through door openings. More than 5,800 carriers were attacked by dogs last year. We want everyone to get home safely each day.

National Postmark

All First-Class Mail® postage stamps will be postmarked with this image from November 27, 2021, through December 31, 2021.

USPS Operation Santa

The USPS Operation Santa® program turns 109 years old this year! The program was established by the Postal Service to help families and children in need during the holidays. To participate in USPS Operation Santa, just write a letter, put it in a stamped envelope with your return address, and send it to Santa's official workshop address:

SANTA CLAUS
123 ELF ROAD
NORT H POLE
88888

Letters will be accepted through December 10, 2021.

Registration to adopt letters is now open. For security reasons, potential adopters must be vetted through a short registration and ID verification process before they can adopt any letter.

On November 29, letters will be available for nationwide adoption by visiting *USPSOperationSanta.com*. Potential adopters can read the letters and pick one or more wishes that they would like to fulfill.

Sample Responses for Use When Preparing Written Responses from Santa

Dear Child,

Ho, Ho, Ho and Happy Holidays! What a wonderful surprise it was to receive your letter in my mailbox! Nothing makes me happier than getting letters from boys and girls like you who are on my nice list.

It's already snowing here at the North Pole, and I'm working extra hard this winter to get everyone's special gifts ready. Luckily, I always get lots of great help from Mrs. Claus, the elves, and my reindeer!

Do you want to help us, too? We would love it if you can spread some more holiday cheer and do your best to stay on the nice list!

I can't wait to visit your house on Christmas Eve (and eat some yummy cookies)! Until then, I hope you have a very happy holiday season with your family and friends!

Sincerely,

Santa Claus

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

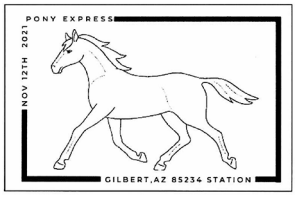

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at *usps.com/shop*.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300

FDOI – (Name of Stamp Issue)

Supply Management

Contract Invoice Payment Process

This article serves as a policy reminder that employees and designated contracting officer representatives (CORs) must, in a timely manner, review and reject supplier invoices that do not meet submission requirements, and must pay invoices in accordance with contract payment terms.

The Postal Service™ is subject to the Prompt Payment Act (PPA), which requires timely payment of invoices (subject to contract payment terms) after the receipt of goods and services. To comply with the PPA, the Postal Service must pay a properly submitted invoice no later than 30 days after receipt (14 days for progress payments on facility construction contracts) unless the contract specifies an actual payment date.

Most purchasing contracts require suppliers to submit a proper invoice to an individual or office specified in the contract or order when goods and services are delivered and accepted by the Postal Service. The supplier's submission of a proper invoice to the Postal Service for payment is a certification of the following:

- That services being billed for have been performed in accordance with the contract requirements.
- That supplies for which the Postal Service is being billed have been shipped or delivered, and that the supplies are in the quantity and of the quality designated in the contract.

Per Postal Service policy (see the resources listed at the end of this article), CORs or designated individuals indicated within the contract must process invoices in accordance with the contract terms. This includes, but is not limited to, invoice receipt, review of the invoice to ensure it is proper, inspection and acceptance of the goods or services, certification of the invoice, and making payment.

To ensure prompt payment, an original invoice must meet the submission requirements (e.g., contract number, point of delivery, payment terms) as described in *Supplying Principles and Practices* (see the resources listed at the end of this article). In addition, the Postal Service considers an invoice that is submitted to anyone other than the designated individual specified in the contract or order to be not properly submitted, as is an invoice that does not contain the relevant and necessary data. The COR or the designated individual must return such an invoice to the supplier.

Upon invoice receipt and review, the designated COR or individual must certify the invoice within 7 days of receipt. The designated COR or individual must exercise due diligence to verify accuracy or reject invoices that do not meet submission requirements and contract payment terms. The designated COR or individual must notify the supplier of the reason(s) for invoices rejected or improper within 7 days of receipt. The Postal Service allows notification by phone, memorandum, or letter, and also allows return of the invoice with appropriate annotation.

Failing to make payment, or making late payment, can have harmful effects, including damaged supplier relations, delays, and the accrual of additional interest penalties pursuant to the PPA.
