Cover Story

A U.S. Passport is Your Key to International Travel

The U.S. Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States.

A passport book or card is proof of identity and U.S. citizenship. U.S. citizens can use each as follows:

- The passport book for all international travel by air, land, or sea.
- The passport card to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, and at land border crossings or sea ports-of-entry. U.S. citizens cannot use the passport card for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a first-time passport book, passport card, or both, submitting your passport application is easy. The United States Postal Service® makes it convenient to apply for a passport with the Retail Customer Appointment Scheduler (RCAS) tool. Customers now have the opportunity to self-schedule a first-time passport application appointment through a variety of options:

- Online or on a mobile device at *usps.com/scheduler*.
- At any one of the 2,700 Self-Service Kiosks (SSKs).
- At the Retail counter of more than 17,000 select Post Offices.

The RCAS tool guides you through the appointment process in four easy steps:

1. Choose a service.
2. Find available appointments.
3. Select your appointment time.
4. Provide contact information.

The RCAS tool will display available appointment times for participating Post Office™ locations that offer passport appointment services within the selected radius. Users will receive notifications of their scheduled appointment via email or text.

If you are renewing your passport, you must do so by mail. You do not need to make an appointment for the renewal. The directions are straightforward — simply take your documents and payment to the nearest Post Office and mail everything to the U.S. Department of State using Priority Mail® or Priority Mail Express® service.

For best results, follow these passport and international travel tips:

- Apply for your passport book or card early.
- Check the expiration date of your current passport. U.S. passports are issued to adults for 10 years and children under the age of 16 for 5 years.
- Visit the Department of State website (*travel.state.gov/content/travel/en/passports.html*) for the following information:
  - Find out how to apply for or renew your passport;
  - Get passport fees and forms;
  - Track your application; or
  - Report your passport lost or stolen.
- Enroll in the Smart Traveler Enrollment Program at *step.state.gov/step*. U.S. citizens and nationals who travel and live abroad can use this free service to register their trip with the nearest U.S. Embassy or Consulate.
- For up-to-date information on when you will get your passport, see processing times at *travel.state.gov/content/travel/en/passports/how-apply/processing-times.html*.
- If you need your passport quickly, see Get My Passport Fast at *travel.state.gov/content/travel/en/passports/get-fast.html*.

IMM Revision: Update to U.S. Sanctions for Belarus and Russia

Effective November 17, 2022, the Postal Service™ is revising *Mailing Standards of the United States Postal Service,* International Mail Manual (IMM®) in Chapter 5 and in the Individual Country Listings for Belarus and Russia. These revisions update information based on recent U.S. government sanctions concerning the export, reexport, or transfer (in country) to and within Belarus and Russia for certain items subject to the Export Administration Regulations (EAR) identified under specific Schedule B numbers corresponding to categories of exported goods for which the Bureau of Industry and Security (BIS) of the United States Department of Commerce (Commerce Department) requires a license.

A Schedule B number is a 10-digit code used in the United States to classify physical goods for export to another country. There is a Schedule B number for every physical product. Based on the international Harmonized System (HS) of 6-digit commodity classification codes (which serve as the foundation for the import and export classification systems used in the United States), Schedule B numbers are administered by the U.S. Census Bureau of the Commerce Department.

To help ensure compliance, the Postal Service is requiring that, for all items containing goods destined to Belarus and Russia, the associated 10-digit Schedule B number must appear in the HS Tariff Number block on the customs declaration form, along with a detailed description of the goods. In addition, a mailer using an electronic customs form must transmit the Schedule B number electronically.

Although mail service to Belarus and Russia has been temporarily suspended, the Postal Service is issuing this directive now to help mailers with compliance once service is restored.

530 Commodities and Technical Data

* * * * *

[Revise the title of 533 to read as follows:]

533 Luxury Goods to Belarus and Russia

* * * * *

[Add part 534 to read as follows (renumbering current 534 and 535 as 535 and 536, respectively):]

534 Schedule B Number Requirement for Belarus and Russia

In alignment with U.S. government sanctions and the Bureau of Industry and Security (BIS) of the United States Department of Commerce, the 10-digit Schedule B number must appear in the HS Tariff Number block on the customs declaration form for each item containing goods mailed to Belarus or Russia, along with a detailed description of the goods. Also, a mailer using an electronic customs form must transmit the Schedule B number electronically.

This rule reflects the addition to 15 CFR, Section 746.5(a)(1)(ii) of the "Russian Industry Sector Sanctions List" (and the expansion of those requirements to Belarus), which identifies certain Schedule B numbers corresponding to categories of exported goods (as well as certain modified or designed components, parts, accessories, and attachments of such goods) for which BIS requires a license. For the latest requirements, the mailer is responsible for consulting the current, authoritative provisions in the applicable BIS rules, including those that might be available at *bis.doc.gov/index.php/regulations/export-administration-regulations-ear* (click on the link for "Part 746") as updated periodically. For further guidance on BIS license requirements, see the BIS guide "Resources on Export Controls Implemented in Response to Russia's Invasion of Ukraine" at *bis.doc.gov/index.php/policy-guidance/country-guidance/russia-belarus*. An item's inclusion in or exclusion from the Russian Industry Sector Sanctions List does not necessarily imply mailability, because other rules or regulations might also render any item nonmailable. For certain other prohibited and restricted items, see the Individual Country Listings for Belarus and Russia, as well as Publication 52, *Hazardous, Restricted, and Perishable Mail*.

Note: A Schedule B number is a 10-digit code used in the United States to classify physical goods for export to another country. There is a Schedule B number for every physical product. Based on the international Harmonized System (HS) of 6-digit commodity classification codes (which serve as the foundation for the import and export classification systems used in the United States), Schedule B numbers are administered by the U.S. Census Bureau of the United States Department of Commerce. Further information on Schedule B numbers is available at *trade.gov/harmonized-system-hs-codes*. Schedule B numbers are available via the U.S. Census Bureau's Schedule B search engine at *uscensus.prod.3ceonline.com* or via any similar successor source.

IMM Revision: Termination of International Postal Money Order Service for Trinidad and Tobago

Effective January 1, 2023, the Postal Service™ will revise *Mailing Standards of the United States Postal Service,* International Mail Manual (IMM®), Exhibit 371.2 and the International Country Listing (ICL) for Trinidad and Tobago, to reflect that the cashing of international postal money orders between the Postal Service and the Trinidad and Tobago Postal Corporation (TTPost) will be discontinued as of January 1, 2023. We are also revising the text of 371.2 to reflect current information.

As noted in the article titled "IMM Revision: Termination of International Postal Money Order Service" in *Postal Bulletin* 22583 (10-21-21, page 10), the TTPost stopped selling international postal money orders destined for the United States effective January 1, 2022, and on that same date, the Postal Service stopped selling international postal money orders destined to Trinidad and Tobago. That article also gave notice that both the Postal Service and TTPost would stop cashing international postal money orders from the other entity effective January 1, 2023.

Consequently, the following procedures apply for an international postal money order either from or destined to Trinidad and Tobago:

- *Issued by TTPost:* In accordance with IMM 371.5, the recipient must cash it at a U.S. Post Office™ facility by the expiration of the validity date on the money order or before January 1, 2023, whichever comes first.
- *Issued by the United States Postal Service and destined for Trinidad and Tobago:* The purchaser may redeem it for face value at a U.S. Post Office on or after January 1, 2023.

Also effective January 1, 2023, the Postal Service will revise Exhibit 371.2 to remove the entry for Trinidad and Tobago and the associated footnote 2, and will revise the ICL for Trinidad and Tobago to reflect that International Postal Money Order service is not available.

Holiday Season 2022

The Postal Service™ is ready for peak season 2022. Our employees are hard at work in anticipation of the holiday season, which is our busiest time of the year. Here are some important details to help you prepare for your holiday mailings.

Holiday Stamps

The Postal Service offers a wide variety of contemporary and religious stamps for the holidays. Customers may purchase these stamps at Post Office™ locations or online at *usps.com/shop*. New stamps this year include:

- *Holiday Elves*.
- *Snowy Beauty*.
- *Hanukkah*.
- *Virgin and Child*.
- *Kwanzaa*.

Holiday stamps from previous years are also available. As a reminder, the cost of a Forever® stamp increased in July from 58 cents to 60 cents.

Self-Service Kiosks

Post Office lobbies can be very busy during the holiday season. Skip waiting in line and go directly to a fully-automated, self-service kiosk with touch-screen. Typically placed in Post Office lobbies to provide customers with a convenient alternative to the full-service counter, Post Office kiosks offer customers a wide range of services:

- Choose a faster or more affordable shipping option.
- Weigh letters, flats, and parcels up to 70 pounds.
- Purchase variable-rate postage in any denomination for Priority Mail Express®, Priority Mail®, First-Class Mail®, and USPS Retail Ground® services.
- Purchase USPS Delivery Confirmation®, Signature Confirmation™, Insurance, Certified Mail®, and Return Receipt™ services.
- Print Priority Mail Express forms.
- Look up a ZIP Code™.
- Purchase postage.
- Renew your PO Box™.
- Pay with a debit, credit, or EBT card.
- Print a receipt with the USPS Tracking® number.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal Service money orders.
2. Check that the proper security features are present:
   - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
   - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
   - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at usps.com/shop/money-orders.htm.
3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under "Changes" appear in bold in the following APO/FPO/DPO table:

Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the Restrictions following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service,* Domestic Mail Manual (DMM®), part 503.

Acceptance clerks must use the table with the Retail System Software terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply.

Busiest Mailing and Delivery Days

The Postal Service's busiest time is the two weeks before Christmas. Starting the week of December 5, customer traffic is expected to increase, with the week of December 11–17 predicted to be the busiest mailing, shipping, and delivery week.

The Postal Service anticipates December 18 will be the busiest day online. Nearly 149 million customers are expected to visit *usps.com* during the holidays — more than 4 million per day — for help shipping that special holiday gift. And *usps.com* is always open.

The Click-N-Ship feature (*usps.com/ship/online-shipping.htm*) and other online services allow customers to order free Priority Mail boxes*, print shipping labels, purchase postage, and even request free next-day Package Pickup**.

* *Boxes are delivered within the U.S. with your regular mail usually within 7 to 10 business days. Exclusions apply. For details and to order, visit store.usps.com/store.*

New This Year

A temporary price increase was approved and is in effect on all retail and commercial domestic competitive parcels: PME, PM, FCPS, Parcel Select, USPS Retail Ground, and Parcel Return Service. International products are unaffected. The temporary rates went into effect October 2, 2022, at 12 A.M. Central and remain in place until January 22, 2023, at 12 A.M. Central. For more information, visit *about.usps.com/newsroom/national-releases/2022/0810-usps-announces-proposed-temporary-rate-adjustments.htm*.

Effective June 6, packages containing hazardous materials — in particular, lithium-ion batteries — must now be mailed by surface transportation using Parcel Select Ground or USPS Retail Ground, Parcel Return Service or Ground Return Service. The Postal Service issued the new requirements for shipping used electronics and other hazardous materials because items of this nature can cause fires and other dangers to mailers, air carriers, aircraft passengers, and others.

Mailers must now separate all material requiring hazardous markings or labels to be identifiable. To ensure visibility, these packages must be marked "Restricted Electronic Device" and "Surface Transportation Only," in addition to any other applicable markings. Customers are not allowed to use Priority Mail Express, Priority Mail, or First-Class Package Service to ship pre-owned, damaged, or defective electronic devices — such as cellphones, laptops, or tablets that contain or are packed with lithium batteries — by air.

Customers can find detailed information about common hazardous, restricted, and perishable materials in Publication 52, *Hazardous, Restricted, and Perishable Mail* at *pe.usps.com/text/pub52/welcome.htm*.

The Postal Service will have an expanded package delivery window — including early evening and Sundays, where volume warrants. We have also expanded operational capacity with new equipment and hiring:

- 28,000 peak season hires beginning in October 2022.

- 137 additional package processing machines deployed before the holidays this year.
- Total of 249 new machines since the beginning of 2021.
- 60 million total packages processed daily this holiday season, compared to 53 million last year.
- 23 temporary peak annexes, in addition to the 48 parcel support annexes opened last year, which adds 8.5 million additional square feet to support processing and distribution operations.

Retail Gifts

Whether customers forget to add someone to their holiday lists or need to find a gift for that special someone, the Postal Service has them covered. In select Post Office locations, customers can buy greeting cards, gift cards, and postage, and mail their gifts all in one place.

Find the perfect gift online at *store.usps.com/store/results/gifts/_/N-nnxamr?_requestid=15338* and at retail locations to make gift giving easy this season. Find your local Post Office location with our online locator at *tools.usps.com/find-location.htm*.

Custom Solutions for Sending Holiday Packages

The Postal Service is uniquely qualified to deliver the holidays by offering a variety of custom solutions designed to make sending holiday packages easy:

- For safety reasons, effective June 6, packages containing hazardous materials — in particular, lithium-ion batteries — must now be mailed by surface transportation using Parcel Select Ground or USPS Retail Ground, Parcel Return Service or Ground Return Service. Customers are not allowed to use Priority Mail Express, Priority Mail, or First-Class Package Service to ship pre-owned, damaged, or defective electronic devices — such as cellphones, laptops, or tablets that either contain or are packed with lithium batteries — by air. Customers can find detailed information about common hazardous, restricted, and perishable materials in Publication 52, *Hazardous, Restricted, and Perishable Mail* at *pe.usps.com/text/pub52/welcome.htm*.
- Packages that have stamps as postage and are more than one-half inch thick and/or weighing more than 10 ounces *must* be taken to a retail counter for drop off. Alternatively, customers can use a self-service kiosk for a postage label and drop off the package in a Post Office package slot, *not* a mail slot.
- Get free Priority Mail and Priority Mail Express boxes and envelopes in Post Office locations or online at *usps.com/freeboxes*.
- Skip the line and use self-service kiosks located in larger Post Office locations to weigh, pay postage, and deposit your packages.
- Use the Click-N-Ship feature online at *usps.com/ship/online-shipping.htm* to create shipping labels with USPS Tracking®, pay postage, or use flat rate shipping products to avoid weighing packages.
- With free Package Pickup, your package can be handed to your mail carrier on his or her regular delivery route or you can schedule a pickup. For details on availability, visit *usps.com/pickup*.
- Take your packages to the retail counter at any Post Office.

* *Boxes are delivered within the U.S. with regular mail usually within 7 to 10 business days. Exclusions apply. For details and to order, visit store.usps.com/store.*

Custom Solutions to Help with Receiving Holiday Packages

The Postal Service also offers a variety of custom solutions designed to make receiving holiday packages more convenient:

- Informed Delivery® notifications (*informeddelivery.usps.com/box/pages/intro/start.action*) is a free, daily digital preview of what's coming to your mailbox. You can see what mail is coming to your mailbox, manage your packages by providing delivery instructions, reschedule delivery online, and see some exterior images of magazines and catalogs — all from your mobile app, dashboard, tablet, or computer.
- Customers can also request the package be held at a Post Office by choosing the Hold for Pickup option in the Informed Delivery app or online at *reg.usps.com/login?*.
- Customers who know they won't be home when a package is delivered can use USPS Package Intercept® service (*usps.com/manage/package-intercept.htm*). Before delivery, most domestic package shipments can be redirected back to the sender, to a new address (a neighbor, perhaps), or to a Post Office to be held for pickup.

Help Customers Avoid a Shipping Glitch

There are a number of things that customers can do to ensure their holiday mail gets delivered safely and correctly:

- Print addresses clearly and include all address elements, such as apartment number, PO Box number, and directional information as applicable (e.g., 123 S Main St., Apt. 2B).
- Don't send materials that are prohibited, such as fireworks or ammunition. Hazardous materials, such as perfumes, aerosols, or lithium batteries, are mailable with restrictions. For more information, visit *pe.usps.com*.
- Items powered by dry-cell batteries may sometimes turn on during handling and emit light, buzzes, beeps, or ticks. Please ensure the device is powered

off or package batteries separately (preferably in the original manufacturer's packaging). Specific packaging requirements apply to lithium batteries. See Publication 52, *Hazardous, Restricted and Perishable Mail* at *pe.usps.com/text/ pub52/welcome.htm*.

- Place a card inside the package that contains the delivery and return address. This ensures the package can be delivered or returned if the mailing label becomes damaged or falls off.
- Never guess a ZIP Code. No ZIP is better than a WRONG ZIP. Look up a ZIP Code at *usps.com* under "Quick Tools."
- Include both "to" and "from" information on packages and only on one side.
- Do NOT reuse mailing boxes — they weaken in the shipping process.
- Select a box that is strong enough to protect the contents. Priority Mail and Priority Mail Express boxes are free at local Post Office locations.
- Leave space for extra cushioning inside. Stuff glass and fragile, hollow items, like vases, with newspaper or packing material to avoid damage. When mailing framed photographs, take the glass out of the frame and wrap it separately.

How to Have Unhappy Holidays

The U.S. Postal Inspection Service shared these tips on what not to do to ensure your packages and mail are kept safe during the holidays and all year long.

1. **Get swindled.** Don't do your homework. Scammers use bogus charities and underhanded tactics to fraudulently take money from you and away from legitimate charities. Before you donate, check out the charity and look carefully at the name — some phony charities have names closely resembling legitimate ones. Be sure to make your check payable to the organization and not to an individual. And don't let them pressure you to give money on the spot.
2. **Advertise your vacation.** Let your mail pile up. A visible pile of delivered mail and packages in front of your home is an invitation for the bad guys to help themselves. If you will be out of town or away for an extended period, have your mail held at your local Post Office. Use the HOLD MAIL® feature at *usps.com* or choose the HOLD FOR PICKUP option when shipping. That allows the recipient to collect the package at their local Post Office when they get back home.
3. **Give away cash.** Be cavalier with cash. Cash is untraceable. It's easy to steal, making it a tempting target for thieves. Send money another way, such as with a check or USPS money order. If you decide to mail other valuables, make sure they are insured. You can track a letter or package through the Postal Service and know when it arrives.
4. **Start a fire.** Remain ignorant of mailing requirements. Sending hazardous items can spark a fire in the mail system or cause someone harm. Certain items and substances should never be mailed. Check to see if your items are prohibited or restricted before going to your local Post Office location or by consulting our shipping restrictions guide at *usps.com/ship/shipping-restrictions.htm*.
5. **Neighborhood (un)watch.** Adopt a none-of-my-business attitude. Large volumes of mail and packages make Postal Service employees tempting targets for crooks. Keep an eye out for the safety of your mail carriers. The holidays will quickly become unhappy if you see your carrier being robbed, especially if you don't say something. If you see something suspicious or someone following your carrier, call the police immediately.
6. **Ignore your doors.** If you don't keep an eye on your door and porch, you can be sure the bad guys will. When no one is watching, it is easier for thieves to steal from the porch or even enter your house. If you have a camera system, make sure it's focused on capturing activity at your front door or mailbox. If you catch mail thieves in the act, save the video and contact the Inspection Service at 877-876-2455.
7. **Keep secrets.** When you do not report a mail theft or fraud, the crook gets away with a crime. Mail crimes are serious, and reporting it is as easy as a phone call. Don't keep it a secret. Call 877-876-2455. You can also report mail crime at *uspis.gov/report*.
8. **Mess with the mail.** If you're thinking about tampering with or stealing someone's mail and making their holiday unhappy, don't. Theft of mail is a federal crime and could land you in jail. Don't steal and everyone can have a happy holiday.

2022 Holiday Information

Holiday Advertising Campaign

The Postal Service's 2022 holiday campaign features direct mail, TV, radio, print, digital, and social media promotions highlighting the organization's proud tradition of delivering cheer and value to consumers and businesses.

The first of several TV spots began airing in November and can be viewed on the Postal Service YouTube channel, USPS TV (*youtube.com/user/uspstv/custom*). A direct mailpiece with information customers need to know for the holidays will be mailed to more than 100 million homes by Thanksgiving.

Holiday Operating Hours

This year, Christmas and New Year's Day fall on a Sunday when Post Office locations nationwide are already closed. As a result, all Post Office locations will be closed for the observation of both federal holidays on Monday, December 26, 2022, and Monday, January 2, 2023, respectively. All Post Office locations will be open for business and regular mail delivery will resume after the holidays on Tuesday, December 27, 2022, and Tuesday, January 3, 2023.

Customers should always check with their local Post Office location for hours of operation. As a reminder, blue collection boxes are not serviced on Sundays.

Holiday Newsroom

Customers can find news releases, shipping deadlines, fact sheets, how-to videos, USPS Operation Santa®, and much more by visiting the holiday newsroom at *about.usps.com/ holidaynews*.

Holiday Hiring

The Postal Service will be hiring seasonal employees across the country to meet operational needs and the needs of our customers. Hiring decisions are made at a local level. Instead of just hiring seasonally, the Postal Service is focusing its resources on actively hiring year-round.

Employee Tipping

All Postal Service employees, including mail carriers, must comply with the Standards of Ethical Conduct for Employees of the Executive Branch. Under these federal regulations, carriers may accept a gift worth $20 or less (this includes store, restaurant, or mall gift cards). However, employees must never accept cash and cash equivalents, such as checks or gift cards that can be used like credit cards (with Visa, MasterCard, or American Express logos) for any amount.

Carriers and Dogs

The Postal Service asks customers to place their dogs in a separate room before opening the front door to accept packages from carriers. Dogs are protective in nature and have been known to jump through screen doors and squeeze through door openings. More than 5,800 carriers were attacked by dogs last year. We want everyone to get home safely each day.

USPS Operation Santa

The USPS Operation Santa® program turns 110 years old this year! The program was established by the Postal Service to help families and children in need during the holidays. To participate as a potential recipient in USPS Operation Santa, all you have to do is write a letter, put it in a stamped envelope with a return address, and send it to Santa's official workshop address:

SANTA CLAUS
123 ELF ROAD
NORTH POLE
88888

Letters will be accepted through December 12, 2022.

Registration to adopt letters began November 14. For security reasons, potential adopters must be vetted through a short registration and ID verification process before they can adopt any letter.

On November 28, letters will be available for nationwide adoption by visiting *USPSOperationSanta.com*. Potential adopters can read the letters and pick one or more wishes that they would like to fulfill.

National Postmarks

All First-Class Mail® postage stamps will be postmarked with one of these images from November 26, 2022, through December 30, 2022.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

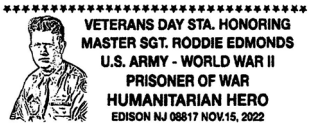

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

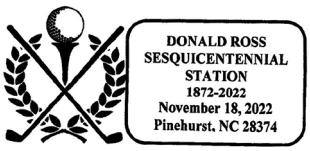

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 844-737-7826, or on The Postal Store® website at *usps.com/shop*.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.

United States Postal Inspection Service

Proper Use of Surface Only Labels

As the Postal Service™ approaches peak holiday season, it is important for employees to know which materials are restricted to ground transportation. While some hazardous materials (HAZMAT) are allowed for air transportation under specific conditions, there are legitimate reasons why some HAZMAT is prohibited from air transportation. Although some of our package volume is carried via cargo aircraft, which is generally less restrictive, a substantial amount is carried on passenger aircraft, which is far more restrictive.

Some of the issues that we have encountered are the attempted shipment of UN3090 lithium metal batteries, UN3480 lithium-ion batteries, and Limited Quantity ground materials using either Priority Mail® or First-Class Package Service®. These materials must only be sent via ground services in our networks as these products cannot be mailed using air-eligible services.

Label 127, *No Fly/Surface Transportation Only* and Label 876, *HAZMAT Surface Only* must never be provided to a customer for application or applied by a Retail office to a Priority Mail or First-Class Package Service shipment that contains materials ineligible for air transportation.

For more information, see section 327 of Publication 52, *Hazardous, Restricted, and Perishable Mail.* Marking these items properly ensures they stay out of our air transportation networks. Additionally, mislabeled items could cause delays and prevent packages from arriving at the intended destination in time for the holidays.

For more information about HAZMAT, visit *blue.usps.gov/aviationsecurity/hazardous_materials_program.htm*. For questions or comments, send an email to *HAZMAT@uspis.gov.*

Thank you for your continued efforts to keep the mail safe.
