Cover Story

A U.S. Passport is Your Key to International Travel

The U.S. Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States.

A passport book or card is proof of identity and U.S. citizenship. U.S. citizens can use each as follows:

- The passport book for all international travel by air, land, or sea.
- The passport card to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, and at land border crossings or sea ports-of-entry. U.S. citizens cannot use the passport card for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a first-time passport book, passport card, or both, submitting your passport application is easy. The United States Postal Service® makes it convenient to apply for a passport with the Retail Customer Appointment Scheduler (RCAS) tool. Customers now have the opportunity to self-schedule a first-time passport application appointment through a variety of options:

- Online or on a mobile device at *usps.com/scheduler*.
- At any one of the 2700 Self-Service Kiosks (SSKs).
- At the Retail counter of more than 17,000 select Post Offices.

The RCAS tool guides you through the appointment process in four easy steps:

1. Choose a service.
2. Find available appointments.
3. Select your appointment time.
4. Provide contact information.

The RCAS tool will display available appointment times for participating Post Office™ locations that offer passport appointment services within the selected radius. Users will receive notifications of their scheduled appointment via email or text.

If you are renewing your passport, you must do so by mail. You do not need to make an appointment for the renewal. The directions are straightforward — simply take your documents and payment to the nearest Post Office and mail everything to the U.S. Department of State using Priority Mail® or Priority Mail Express® service.

For best results, follow these passport and international travel tips:

- Apply for your passport book or card early.
- Check the expiration date of your current passport. U.S. passports are issued to adults for 10 years and children under the age of 16 for 5 years.
- Visit the Department of State website at *travel.state.gov/content/travel/en/passports.html* for the following information:
  - Find out how to apply for or renew your passport;
  - Get passport fees and forms;
  - Track your application; or
  - Report your passport lost or stolen.
- Enroll in the Smart Traveler Enrollment Program at *step.state.gov/step*. U.S. citizens and nationals who travel and live abroad can use this free service to register their trip with the nearest U.S. Embassy or Consulate.

DMM Revision: Domestic Competitive Products Pricing and Mailing Standards Changes

Effective July 10, 2022, the Postal Service™ will revise *Mailing Standards of the United States Postal Service,* Domestic Mail Manual (DMM®), in various sections, to reflect changes to certain pricing and mailing standards for the following domestic mail competitive products:

- Priority Mail®.
- Parcel Select®.
- Return Services.
- Other.

This article describes new prices and product features for domestic mail competitive products established by the Board of Governors of the United States Postal Service®. New prices are available on the Postal Explorer® website at *pe.usps.com*.

Competitive products changes are by product as follows:

Priority Mail

Priority Mail Commercial Plus™ Cubic

Currently, Commercial Plus cubic prices are available to Priority Mail customers whose account volumes exceeded 50,000 pieces in the previous calendar year and have a customer commitment agreement with the Postal Service.

The Postal Service is revising the DMM to remove the volume requirements for Priority Mail Commercial Plus cubic prices. The Postal Service will also eliminate the requirement to have a customer commitment agreement for cubic pricing. Priority Mail cubic prices will be available to all commercial customers.

Priority Mail Maximum Insurance Indemnity

The Postal Service has proposed making the maximum insurance indemnity included with retail- and commercial-priced Priority Mail limited to a maximum liability of $100. See *Federal Register* notice, "New Mailing Standards for Domestic Mailing Services Products" (87 FR 21601-21603) for additional information.

Parcel Select

Parcel Select Ground® Cubic

The Postal Service is implementing cubic pricing under the Parcel Select Ground price category. Parcel Select Ground cubic pricing will be available to eligible Parcel Select Ground customers for rectangular, nonrectangular, and soft-pack mailpieces. Each mailpiece must measure 1 cubic foot or less, weigh 20 pounds or less, and the longest dimension may not exceed 18 inches. Rolls and tubes do not qualify for mailpiece cubic prices. Parcel Select Ground cubic pricing will be available in 10 pricing tiers.

Return Services

USPS Returns® Service

The Postal Service is proposing to include $100 of insurance with Priority Mail Return® service pieces. See *Federal Register* notice, "New Mailing Standards for Domestic Mailing Services Products" (87 FR 21601-21603) for additional information.

Postal Zone Calculation Revision

Currently, prices for certain subclasses of mail are based on the weight of the individual piece and the distance that the piece travels from origin to destination (i.e., the number of postal zones crossed). Administering these postal zones is based on a map in which the earth is divided into units of area 30 miles square, identical with a quarter of the area formed by the intersecting parallels of latitude and meridians of longitude. Postal zones are based on the distance between these area units. The distance is measured from the center of the area unit containing the sectional center facility (SCF) serving the origin Post Office™ to the SCF serving the destination Post Office.

The Postal Service is revising the calculation method for postal zones. Administration of postal zones will be calculated based on the centroid (geometric center) of each 3-digit ZIP Code™ area or combination of 3-digit ZIP Code areas. Postal zones will be based on the distance between these area units. The distance is measured from the centroid of the 3-digit ZIP Code area serving the origin Post Office to the centroid of the 3-digit ZIP Code area serving the destination Post Office. The 3-digit ZIP Code areas serving the origin and destination Post Offices will be determined by using Labeling List L002, Column A.

Notice 123 — Price List

The Postal Service will also revise Notice 123 — *Price List,* as applicable, based on standards described in this article. Revised Notice 123 — *Price List* will be effective July 10, 2022.

Resources

The Postal Service provides additional resources to assist customers with this price change for competitive products. These tools include price lists, downloadable price files, and *Federal Register* notices, which are available on the Postal Explorer website at *pe.usps.com*.

The Postal Service will publish these revisions in the DMM on July 10, 2022, which is when these standards become effective.

1.2.3 Determining Cubic-Tier Measurements for Rectangular and Nonrectangular Parcels

Follow these steps to determine the cubic-tier measurement for rectangular and nonrectangular parcels:

a. Measure in inches the length, width, and height at each dimension's maximum point. Round down (see 604.7.0) each measurement to the nearest 1/4 inch. For example, 6-1/8" x 5-7/8" x 6-3/8" is rounded down to 6" x 5-3/4" x 6-1/4".

b. Multiply the length by the width by the height and divide by 1,728. For example: 6" x 5-3/4" x 6-1/4" = 215.6 divided by 1,728 = 0.125. (This piece exceeds 0.10 – Tier 1 threshold.) It is calculated at Tier 2 – 0.101 to 0.20.

1.2.4 Determining Cubic-Tier Measurement for Soft Pack and Padded Envelopes

Cubic-tier measurements for soft pack (poly, plastic, cloth, or similar soft packaging) and padded envelopes are based, in inches, on the outside dimensions of length plus width of the original packaging material. Pleated (e.g., expandable) mailpieces must meet the measurement guidelines in 1.4.3 to be eligible for cubic pricing. Determine cubic-tier measurements as follows:

a. Measure the length and width separately in inches.

b. Round down (see 604.7.0) each measurement to the nearest 1/4 inch. For example, 10-1/8 inches is rounded down to 10 inches.

c. Add the two measurements. The maximum total of length plus width must not exceed 36 inches. See Exhibit 1.2.4 for corresponding price tiers.

"Parcels Prepared in Soft Packaging" Federal Register Notice Withdrawn

Effective June 30, 2022, the Postal Service™ is withdrawing the *Federal Register* proposed rule, "Parcels Prepared in Soft Packaging," that would have added new sections to *Mailing Standards of the United States Postal Service,* Domestic Mail Manual (DMM®), establishing parcel selvage standards and clarifying how to measure parcels prepared in soft packaging.

In the proposed rule that was published in the *Federal Register* (87 FR 16700-16702) on March 24, 2022, the Postal Service proposed implementing a 2-inch maximum of selvage on the length and the width of a parcel prepared in soft packaging and providing a clarification defining how to measure parcels prepared in soft packaging to generally determine the length, width, and height of the mailpiece.

In consideration of concerns expressed by members of the mailing community during the proposed rule comment period, the Postal Service elected to withdraw the proposed rule.

Environmental Management

Updated Environmental Management and Compliance Policy

Effective December 31, 2021, the Postal Service™ revised the *Administrative Support Manual* (ASM), subchapter 69, which establishes the Postal Service's commitment to comply with all applicable environmental laws and regulations, while providing the corresponding polices for managing compliance. These policies are applicable to all Postal Service facilities, managers, employees, programs, projects, operations, products, and services.

Most notably, the following revisions were made to subchapter 69:

- Updated organizational restructure, clarified roles and responsibilities of various USPS® stakeholders for managing compliance, and further reinforcement of longstanding compliance programs.
- The addition of a table of commonly regulated equipment and operations, a summary of requirements for each, and links to the supporting Environmental Compliance Bulletins and other documents (e.g., relevant Maintenance Management Orders).

Subchapter 69 was also updated to reflect new language related to the following processes and systems currently in use to manage compliance:

- Environmental Compliance Review (ECR) process.
- 30-day Corrective Action requirement for non-compliance findings identified during an ECR.
- Use of the Environmental Tool Kit as a USPS information management system.
- Requirement to notify Environmental Assessment/Regional Managers for regulator interactions or Notices of Violations.
- Use of the environmental training matrix.
- Fiscal responsibilities for compliance.

While the above sections contain new language, they do not reflect new requirements. The revised content reflects the priorities put forth in the recent *Commitment to Environmental Excellence,* signed by Postmaster General Louis DeJoy, which underscores the Postal Service's commitment to environmental responsibility and stewardship (see *about.usps.com/what/corporate-social-responsibility/sustainability*).

For more information on compliance requirements, visit the Environmental Affairs website at *blue.usps.gov/sustainability/environmental.htm* or consult your designated environmental contact at *blue.usps.gov/sustainability/contact.htm*.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the "Payment by Account" or "Agreement Number" section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal Service money orders.
2. Check that the proper security features are present:
   - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
   - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
   - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at *usps.com/shop/money-orders.htm*.
3. If the money order seems suspicious, call the U.S. Postal Service Money Ordxxer Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under "Changes" appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the Restrictions following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service,* Domestic Mail Manual (DMM®), part 503.

Stamp Announcement 22-26: Go Beyond Stamps

©2022 USPS

On August 3, 2022, in Los Angeles, CA, the United States Postal Service® will issue the *Go Beyond* stamps (Forever® priced at the First-Class Mail® rate) in four designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 482500). These stamps will go on sale nationwide August 3, 2022, and must not be sold or canceled before the first-day-of-issue. **The *Go Beyond* commemorative pane of 20 stamps may not be split and the stamps may not be sold individually.**

Four exciting new stamps in a pane of 20 feature the famed Space Ranger, Buzz Lightyear, as seen in Disney and Pixar's 2022 film, *Lightyear*. Known until now as the coolest character in the toybox, the Buzz seen on these stamps is the hero whose origin story inspired the Toy Story action figure. Each stamp features a different view of the brave, galaxy-defending hero along with the phrase "GO BEYOND." The selvage features the full-body Buzz Lightyear against a graphic background and the slogan "From Infinity to Forever," with the word "Lightyear" enhanced by a spaceship streaking through the letters. Art director Greg Breeding, working closely with Pixar Animation Studios, designed the stamps using artwork provided by the studio.

Availability to Post Offices: Item 482500, Go Beyond (Forever Priced at the First-Class Mail Rate) Pane of 20 Stamps

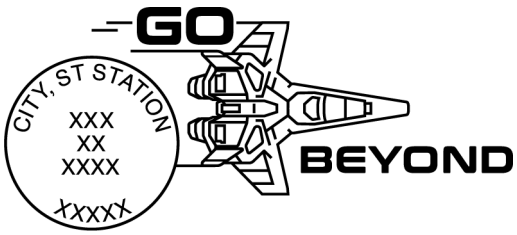

Stamp Fulfillment Services will not make an automatic push distribution to Post Offices. Post Offices may begin ordering stamps before the first-day-of-issue through SFS Web at *sfsweb.usps.gov/sfsweb*.

Special Dedication Postmarks

Only the following pictorial postmark is permitted for the *Go Beyond* stamps. The word "Station" or the abbreviation "STA" is required somewhere in the design because it will be a temporary station. Use of any image other than the following special pictorial image is prohibited.

Guidelines for Finalizing the Go Beyond Stamps Pictorial Postmark Art

To finalize the *Go Beyond* stamps pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches (horizontally) by 2 inches (vertically). Collectors prefer the dimensions 3-1/2 inches by 1 inch.

The Postal Service™ must make all special postmarks known to collectors through advance publicity in the Postal Bulletin. Therefore, all special dedication cancellations must be reported to Stamp Services 4 weeks before the event using PS Form 413, *Pictorial Postmark Announcement/Report.* To get a copy of the form, go to *blue.usps.gov/formmgmt/forms/ps413.pdf*.
